Greater Cleveland Habitat for Humanity has relied on support from the community to partner with families to build better lives for themselves through safe and affordable homeownership.

To celebrate affordable homeownership, we are walking, running and moseying at Edgewater Park. Join our non-competitive, family-friendly, dog-friendly, and donut-friendly event! For details, sponsorship information and more go to cleHABITATwalk.org.

- Our goal is to raise \$160,000 to support the 400-Home initiative.
- Register today and join us June 28th!

Your sponsorship builds affordable homes
